Corporate and Personal Relocation

A little background to Relocate UK

Established in 1995, Relocate UK is one of the most successful and respected relocation agencies in the UK. From our roots in West Sussex and Hampshire, we have grown to provide a wide range of relocation services throughout the UK to national and international clients who need help relocating, but still retaining a very personal service.

Professional Service

Relocate UK is a member of The Association of Relocation Professionals (ARP) and the European Relocation Association (EURA). Being part of a professional body, you can be assured that we adhere to industry best practice and guidelines in all aspects of our service.

Relocate UK is owned by Leaders Group Limited, one of the UK's largest independently owned specialist letting agencies with branches across the South of England.

As a result, not only are we ideally placed to gain an overview of the rental market, but we can also draw upon legal expertise, database technology and accounting services that are the envy of many of our competitors

 Whether it is as far north as Scotland, or as far south as Plymouth, we have your relocation needs covered. 

At Relocate UK, we appreciate no two people are the same. The type of accommodation required for a young Branch Manager moving from Bolton to Brighton will be totally different from the family home sought for a Senior Executive moving to the UK for the first time. For the former, nightlife, a gym and central location might be a priority; certainly your company will have a limited budget to spend. For the latter, good schools, transport links and a country location are more likely to matter, and, for a highly valued member of staff, your company will be prepared to invest rather more.

Relocate UK covers the whole spectrum of rental properties across the UK – from simple studios to sumptuous penthouses, from cosy cottages to town terraces. Whether you're after a speedy solution to a two-month tenancy or a full care-taking service with chauffeur-driven home viewings, our aim is always to exceed your expectations. For a tailor-made solution to suit your needs, make Relocate UK your first port of call.
